Dear Sirs

You have been taking the 'liberty' as you put it in the attached correspondence that I have just received from you for a number of years to cover up the crimes that are contained as linked here and updated this morning to Medway County Court as attached:

For your information I am Claiming £500 million from the UK Treasury for these 27 years of State-tyranny on me and through me on my family here in the United Kingdom.

I am not accordingly filing any Company Returns nor paying any so-called penalties to HMRC and Companies House until this demand for damages and compensation is actioned by the Monarchs who organised this terror on me.

For clarification, all matters that I have had to contend with as part of my struggle for Freedom from State Tyranny have been referred to the appropriate Courts of the United Kingdom; and it will continue to be added to as and when further terroristic and intrusive conduct occurs.

Member update
Shantanu,

We hope you're enjoying your time at the club. It's been just over four months since the acquisition, and we wanted to share some important updates.

Since taking ownership, we've been assessing all areas of the clubs to identify where we can make meaningful, long-term improvements. While some changes may not yet be visible, we've invested heavily behind the scenes — particularly in health and safety and maintenance — to ensure a solid foundation for the future.

In some cases, this has meant temporarily closing certain facilities like saunas and steam rooms while we carry out proper, lasting repairs rather than short-term fixes which has been the previous approach. We understand this may be frustrating and thank you sincerely for your patience and support during this transition.

We are under no illusions, there has been little to no investment for years, however our commitment remains unchanged: we are investing significantly across the four clubs over the next 12 months, including new equipment like spin bikes, lounge upgrades, and exciting new class formats like reformer Pilates.

With new and exciting things brought to your clubs, there will be some things that do need to change and as part of this evolution, from 1st June we'll be transitioning away from Les Mills and introducing our own Everlast Gyms+ classes. The instructors you know and love will continue delivering sessions, now under five energising pillars: Strength, Cardio, HIIT, Combat, and Holistic.

Love your current classes? Here's what to try next:

- > If you enjoy BODYPUMP, you'll love our new strength-focused classes – the same full-body burn with a fresh new format.
- > If you've been into BODYCOMBAT, get ready for our combat sessions – high energy and high impact.
- > If RPM is your go-to, our cycle formats are designed to enhance performance and keep things moving.
- > If BODYATTACK got your heart racing, our HIIT classes are built for intensity and results.
- > And if you love the calm of BODYBALANCE, our holistic options will be right up your street.

This change brings more choice, consistency, and innovation — and it's only the beginning. We look forward to sharing what Everlast Gyms+ has in store with our first + Club elevation coming in the next few months.

We will keep you posted with updates over the coming months as you are an integral part of this journey. We want to sincerely thank you for your patience and continued support during this transitional period.

Dear Sirs

Thank you for advising me that we are on course to get TCLP-UK registered with the Electoral Commission such as to enable us to contest the next by-election in the Gillingham and Rainham Constituency of Kent.

I am determined to go down this route for it offends my self-respect to see a whole population of 70 million in the United Kingdom subscribe to the notion attached: NO SHAME IN COWARDICE.docs and the message received yesterday that the system is so completely closed to an ornamental Monarchy as a matter of conscience for those who subscribe to truth, justice and democracy, that it has prevented me from recruiting a couple of additional members to my squadron of activism thus far.

I will of course keep you informed of my progress in due course.

Yours sincerely

Dear Shantanu Panigrahi,

You have enquired about registering a political party with us.

For clarity, an application has been started in our system to register 'The Conservative Libertarian Party of the United Kingdom'. However, this application is incomplete – it has not been paid for, authorised by officers, or submitted. Where that is the case, the application remains with you to finalise. We cannot take any actions to progress an application where it is not submitted to us.

You will not currently be able to authorise the application online as you have only one officer, rather than the required two officers.

If you require further advice about finalising and submitting this application please contact me.

Kind regards,

Forum | The Conservative Libertarian Society

All aspects of environmental developments that require assessment under the scope for the Society's interactions...

I am not at clear why my emails and other communications to PEFOnline Party Registration keeps getting returned undeliverable as attached: FrPostmasterElectoralCommission(ARE YOU REJECTING MY EMAILS)4May2025.docx. I have already referred this matter to Kent Police for investigation and it has not been acknowledged by the Constabulary. The matter is awaiting adjudication by the Circuit Judge at the Central London County Court under Claim Number E35YM660, on a Hearing that has been adjourned by the Court since 20 January 2023.

Nobody is telling me anything as to why my proposed political party cannot be approved for me to contest the next byelection in my local Constituency of Gillingham and Rainham

Dear Sirs, I am an alumni of Kings College and my reputation of clean conscience is at stake that I have done everything possible to consult widely on this matter, as linked here:

<https://www.theconservativelibertariansociety.com/post/kings-connect-communication>

Therefore your immediate attention will be greatly appreciated on who is actually blocking the political registration of TCLP-UK at the Electoral Commission.

Yours sincerely

Member update
Shantanu,

We hope you're enjoying your time at the club. It's been just over four months since the acquisition, and we wanted to share some important updates.

Since taking ownership, we've been assessing all areas of the clubs to identify where we can make meaningful, long-term improvements. While some changes may not yet be visible, we've invested heavily behind the scenes — particularly in health and safety and maintenance — to ensure a solid foundation for the future.

In some cases, this has meant temporarily closing certain facilities like saunas and steam rooms while we carry out proper, lasting repairs rather than short-term fixes which has been the previous approach. We understand this may be frustrating and thank you sincerely for your patience and support during this transition.

We are under no illusions, there has been little to no investment for years, however our commitment remains unchanged: we are investing significantly across the four clubs over the next 12 months, including new equipment like spin bikes, lounge upgrades, and exciting new class formats like reformer Pilates.

With new and exciting things brought to your clubs, there will be some things that do need to change and as part of this evolution, from 1st June we'll be transitioning away from Les Mills and introducing our own Everlast Gyms+ classes. The instructors you know and love will continue delivering sessions, now under five energising pillars: Strength, Cardio, HIIT, Combat, and Holistic.

Love your current classes? Here's what to try next:

- > If you enjoy BODYPUMP, you'll love our new strength-focused classes – the same full-body burn with a fresh new format.
- > If you've been into BODYCOMBAT, get ready for our combat sessions – high energy and high impact.

The total amount claimed from United Kingdom Treasury for damages listed above is the tip of the iceberg: with the continued terrorism suffered by the Claimant the monetary value of the

compensation Claim cannot be measured, but the Claimant now submits that £600 million is justified.

Dear Sirs

Thank you for advising me that we are on course to get TCLP-UK registered with the Electoral Commission such as to enable us to contest the next by-election in the Gillingham and Rainham Constituency of Kent.

I am determined to go down this route for it offends my self-respect to see a whole population of 70 million in the United Kingdom subscribe to the notion attached: NO SHAME IN COWARDICE.docs and the message received yesterday that the system is so completely closed to an ornamental Monarchy as a matter of conscience for those who subscribe to truth, justice and democracy, that it has prevented me from recruiting a couple of additional members to my squadron of activism thus far.

I will of course keep you informed of my progress in due course,

Therefore your immediate attention will be greatly appreciated on who is actually blocking the political registration of TCLP-UK at the Electoral Commission.

Yours sincerely
